Award & Honors

- Silver Medal Winner

[The University Physics Competition](#) is an international contest for undergraduate students. Teams of three students from colleges and universities worldwide spend a weekend analyzing a real-world scenario using physics principles. They then write a formal paper describing their work. Our team won a silver medal among 346 teams in 2020, with the guidance of faculty sponsor Dr. Soroush Shakeri.

- Full Scholarship for Bachelor of Science in Physics, Isfahan University of Technology, Isfahan, Iran, 2017
- Within the top 2% among 300,000+ participants in Iran's National University Entrance Exam for the undergraduate program, 2017
